PA NEW OBSERVES

Pa News notes that quite a few of the country high annuals, usually the product of some foreign firm, were printed in New Castle this year. Local printers should have the business.

There are a lot of local merchants who have not returned their blanks with the information concerning the national credit survey. Ray F. Hall, credit manager here, was placed in charge of this gratis job and is suffering the blunt of the unreturned blanks. He is asking that all merchants return them as soon as possible with the information.

Don't hold your hand over the mouthpiece of the phone and expect the party to not hear you. By actual test on the part of Pa News and another member of the force, you can hear the person at the other end of the wire speaking, but words are hard to discern.

Eight more teachers are being employed this summer due to the big enrollment in summer school. This makes a total of 43 teachers who will get some extra work.

It seems that school has ceased to be that winter only affair of yore and is now springing as far as the executive and teaching part of it is concerned. Superintendents work throughout the year, principals are generally occupied, teachers work at summer school or attend some school for graduate work, and the janitors and other workmen are busily engaged repairing and fixing up for the coming term.

Local printer tells Pa News that the old one-time method of bidding on jobs is nearly relegated to the background. Today the majority of better printers have their prices and you can either take their prices on the job or leave it.

Rumors floating in the office of the New Castle Motor Club indicate that there are quite a few New Castle persons taking automobile tours during the coming months. One report reached Pa News's ears that some local person is taking a 9,000-mile jaunt—to where we know not.

All is not bliss, even in the life of a pedagogue. State demands insist on complete reports of attendance, marks and everything which will check up, down, sideways and backwards. There is much sweat being poured on such reports at the present time by county teachers.

Pa News observed a Mercer street man painting his steps at 10:30 last evening in the rain. We did not envy him his job one bit.

Now that the 221 seniors are graduated there are just that many more members of the New Castle high.

BOOTHBAY HARBOR, Me., June 8.—

A big June moon, romantically sil-

vering the rippling waves, may make

a perfect setting for Tom, Dick or

Harry and their brides, but—

From the point of view of Lindy

and Anne there's nothing quite so

easy as a nice, damp, sticky and ab-

Happily isolated today somewhere

out in the misty privacy off here,

Colonel Charles A. Lindbergh and his

Cathedral Fund Organization Is Completed Here

Enthusiastic Meeting Of Workers Held Last Evening At Cathedral

WILL SEEK FUND OF \$800,000 IN CITY

Virtual completion of the campaign organization, which will begin the task of raising \$800,000 among the members of the New Castle Consistory in New Castle, was effected at a meeting of the committee held in the Cathedral last evening.

Final plans for the drive here will be outlined at a dinner meeting to be held next Thursday evening.

The campaign proper in New Castle will be opened on Monday, June 17, and will continue through the week, when it is hoped to raise the entire amount needed from the New Castle district. There are 1435 members in the city of New Castle who will be visited by the team members during the week of the drive. Reports will be made at dinner meetings on Monday, June 17; Wednesday, June 19, and Friday, June 21.

Thirty-six of the 50 zones are now engaged in the campaign, and additional sums are being reported each day. The total to date is close to \$60,000 with few of the larger districts in action as yet.

The coming week will find most of the other districts in action. New Brighton starting Monday, Beaver Falls on Tuesday and several of the smaller zones during the remainder of the week.

The campaign in Sharon will be held at the same time the drive is under way in New Castle.

Remarkable enthusiasm was shown at the meeting of the team captains here last evening and every indication points to a successful campaign in this city among the membership here.

school alumni association. Plans are being made by that organization for its annual picnic at Cascade Park at which time the newly graduated seniors will be the guests.

Some may not know it, but the high school class that graduated on Thursday was the second largest to be graduated from old New Castle in 1925, there were 393 seniors graduated, but that was before there were two commencements per year. About 360 or 375 seniors received diplomas from senior high this year.

Stamp collectors of New Castle should be on the lookout soon for the new Edison commemorative stamps. Postal officials indicate that more than 5,000 of them, ordered for this office, will arrive shortly. The stamps were first sold at the Menlo Park N. J. office on June 5.

The playgrounds are opening again for the summer. Yesterday a large turnout of anxious children attended the opening exercises at the Carnegie playground on South Jefferson street. On Monday the city playgrounds in various neighborhoods will inaugurate their vacation period schedules.

Speaking of rain the drizzle which fell during the night was the first rain we have had in almost two weeks but not enough fell to be of much benefit to vegetation.

Extensive work is being done on the new tennis courts on Boyles field. They will afford a real recreation spot when completed. Indications are that at least four courts are to be laid out.

murder, a theory in which Linn's father agreed. However, William J. McCarter, attorney of Delaware county, adheres to the belief he committed suicide.

Believed Murder Absence of powder marks on the body indicates, in the opinion of Frankfield that the shot was fired from a distance, and the path of the bullet shows that the gun was held in horizontal position. It is on the basis of these two facts that Frankfield reached the murder theory.

Four students were questioned concerning the affair. They are Robert Dougherty, Jr., and Dendell W. Blanche, of Wayne, Pa., Ralph Atkinson, of Salem, Ohio, and John Hartman, of York, Pa.

All four were released after telling of a pre-graduation party from which, it is alleged, Linn was taken to his dormitory in an intoxicated state.

Note Is Left

Attorney McCarter announced that Linn had left a note indicating that he contemplated suicide, which read as follows:

"The soggy old prohibitionists will get a great kick out of this. They'll say I was booze, but it is not. They'll say I was insane, but I'm not. I'm both sane and sober. I want to pass out of this life as unknown as I came into it."

Miss Mary Louden is the instructor for the Franklin playground on Cunningham avenue. Miss Helen Lyle will return to the Croton avenue playground on Vine street. Gaston Park on Wilson avenue will be supervised by the Misses Hazel Toepfer and Margaret Tucker. The swimming will be under the supervision of Miss Gertrude Gillespie and Emmet Gillespie.

Nicholas R. Casillo has general supervision of all recreational activities.

Formal Program

The formal opening of the playgrounds at 11 o'clock on Monday will consist of a flag salute by the children followed by a short dedicatory prayer by clergymen selected by the visitation committee of the Women's Federated clubs.

Rev. C. C. Mahoney will offer the dedicatory at the Croton avenue playground. Rev. Walter E. McClure at Gaston Park and Rev. S. L. Maxwell at the West Side playground. Children from the other city playgrounds will attend and take part in the exercises.

the reply received, which stated that as soon as a man fitted to follow in his footsteps had been secured that he would be detailed here.

Lt. Col. D. A. McQuiston of New Wilmington was the first speaker called upon, expressed his sorrow at the departure of Captain Craig and wished him every success in his new post.

Expresses Appreciation. Attorney George W. Muse was the next speaker called upon and expressed his appreciation of Captain Craig and his work here in a manner that will long be remembered.

S. J. Kramer of Rochester extended the best wishes of the reserve officers of the Beaver valley to Captain Craig. H. K. Bell also expressed his appreciation of the work of Captain Craig and was followed by J. D. Cole, secretary of the Chamber of Commerce, who stated that he never had known

a man to make more real friendships in as short a time as Captain Craig has done while here.

Fred L. Rentz of The News then spoke, stating that he had seen many persons come and go and that those who had left their impress and made themselves felt in the community as Captain Craig has done in such a short time, were scarce. Nobody, he said, had ever been here who had endeared themselves more than had Captain Craig to the people of the community in general, and the community, he said, is all the better for Captain Craig having lived in its midst. He ended by wishing him every success in his new station.

Captain W. Fulton Jackson then in behalf of the assembled associates and friends, presented Captain Craig with a fine fountain pen and pencil set.

Captain Craig spoke feelingly of his appreciation of the affair in his honor and the fact that so many had come from a distance to be present. He felt, he said, that his efforts had been fully appreciated and while depressed at leaving, he realized that it was his duty to go. He would, however, said, remember this occasion and the years spent here and the friends made. He concluded by urging those present to look him up wherever he might be in the future, if they were in his vicinity.

During the evening Major Burnside announced that Lieutenant L. R. Mossley of the chapter had won the individual pistol shooting prize at the Connecticut Lake state convention and that it was possible that the local chapter might also be awarded the team prize.

In Attendance. Those present at the affair were: Alvah M. Shumaker, 2nd Lieut. Garvey, Jay L. Reed, 1st Lt. Dental Reserve; J. R. Cooper, Major Dental Res.; John D. Kennedy, 1st Lt. first major disorder that had been reported in the Gastonia strike zone in several weeks. The situation had become so quiet that several companies of national guardsmen were withdrawn last month.

Those injured in addition to Chief Adenholz, were: Deputy Sheriff James Roach, also not expected to recover; Policeman Tom Gilbert, wounded in leg; Policeman Charles Ferguson, wounded in leg; and Joseph Harrison, an organizer for the National Textile Workers Union.

Greeted By Bullets

During a mass meeting the officers were summoned by mill officials who feared an attack by strikers or their sympathizers on the mill. Arriving on the scene, the officers were shot before they had a chance to reach for their weapons in defense.

Police said comparative quiet prevailed in the strike section today, but extraordinary precautions were being taken to prevent further disorder.

It was stated at the hospital that Chief Adenholz was probably fatally wounded.

The strike at the Loray Mill occurred two months ago. The first days of the strike were marked by numerous disorders, and resulted in the calling out of national guardsmen by Gov. O. Max Garner.

produce market, the Democratic minority declared it would continue to battle for incorporation of the export debenture plan in the arm bill. A handful of insurgent Republicans will join with those forming the same combination, which originally wrote the debenture into the bill.

Leaders Confident

Administration leaders, however, announced there would be a sufficient change of sentiment to reverse the senate's first verdict and that the debenture would be abandoned. They likewise declared prompt enactment of the bill, minus the debenture but containing a \$500,000,000 revolving fund and vast governmental machinery for aiding in the market.

Admirals, who stabilize the whole agricultural situation. They pointed to the strength of the Chicago grain market now as indicating the benefits of the proposed legislation.

The program for recessing congress from next Tuesday until September 9 will undergo a slight delay. Both sides indicated a vote probably will be reached in the senate on the debenture Tuesday. If this is obtained, the recess probably will start next Friday.

Aside from farm relief, the administration's program rolled along smoothly. The new census and re- apportionment bill has been passed by both house and senate and only a few minor differences must be ironed out in conference.

Public Hearings. The new tariff bill has been enacted by the house and the senate finance committee as arranged for public hearings to start next Wednesday. The committee will not have the bill ready for the senate before August.

The president's recommendation for repeal of the national origins immigration law, which goes into effect July 1, faced hard sleiding. Senate sentiment, which once was opposed to the repeal, has changed until the result is in doubt, if a vote can be taken, advocates of the national origin quotas apparently have determined that vote shall not be taken and may succeed in filibustering the proposed repeal to death.

Rev. Egar occupied the pulpit of the Emmanuel Baptist church in recent weeks and made a very favorable impression at the time. He has now been made a principal of one of the Columbus, O. schools and also occupies the pulpit of the Baptist church at that place.

STAR LORE
MORE ABOUT ANTARES
By Arthur DeV. Carpenter.
Formerly it was believed a red star like Antares would increase in temperature and become a white star. That idea is no longer stressed, yet the fact stands forth that such a star will ultimately condense as a result of loss of mass by radiation, until it may have a diameter no greater than the sun's, or less. Everything indicates that Antares is in an early stage of its evolution. The oldest star known has reached a density 50,000 times that of water. The theory is that such an old star has given off its electrons in radiation, leaving behind their massive nuclei.

Chautauqua To Open On June 17 At Junior High

Four Days Of Entertainment
Will Be Offered At Ben
Franklin Audi-
torium

New Castle's Chautauqua program this summer will be held in the Benjamin Franklin junior high school, opening June 17, and continuing through the remainder of the week, when four days of high class entertainment will be provided for the people of this community.

A number of features are planned on the program, including interesting lectures by Ellery Walter, who humped 40,000 miles around the world to fame; Henry L. Cecil, noted educator and lecturer, who will talk on "Open Doors to Fascinating Worlds"; the presentation of "Skidding," this year's Broadway comedy success, which will be presented by a high class company; and a lecture by Dr. Frederick Godcharles, director of the state library and museum.

The Chautauqua is being sponsored by a number of interested citizens of the city in an effort to provide a program of clean, high class entertainment.

Musical entertainment will be provided by The Faubels, who present some surprising musical numbers. Another feature will be the presentation of "The Romancers," a fantastic comedy drama by the Beechwood Players, headed by Daisy Vivian, former Ben Greet player, who has appeared recently in several Broadway productions.

The program, all the way through, is one of genuine merit and artistic worth.

The program to be presented follows:

First Day.
Afternoon—The Faubels in Sketches from Life; music, ventriloquism. Junior Chautauqua.

Evening—The Faubels, concert. A romantic travel lecture by Ellery Walter, "Around the World on One Leg."

Second Day.
Afternoon—Lecture by Henry Cecil.

Open Doors to Fascinating Worlds. Junior Chautauqua.

Evening—The Beechwood Players in a fantastic comedy drama, "The Romancers," by Edmund Rostand.

Third Day.
Afternoon—Concert by the Boston Musicians Quintet, music masterpieces by music masters. Junior Chautauqua.

Evening—Feature lecture, Dr. Frederick Godcharles, director of Pennsylvania state library and museum.

Fourth Day.
Afternoon—Molarsky's Marionettes. Junior pageant.

Evening—This year's Broadway comedy success, "Skidding," with a New York cast.

Invite Mrs. T. W. Phillips To Assist In Ground Breaking

Has Been Asked To Turn First
Shovel At Bethany Col-
lege Extension

Mrs. T. W. Phillips, Highland avenue, this city, has been invited by President Cloyd Goodnight of Bethany College, Bethany, W. Va., to turn the first shovel of dirt in the ground-breaking program for the new section of Phillips hall, girls' dormitory at that place. The exercises will form a part of the school's commencement program next Tuesday.

The Phillips hall now in use was donated to the college by Mrs. Phillips' late husband.

Plans for the new building as prepared by the A. L. Thayer Company, local architects, have been approved and construction will commence at once. At a meeting of the college building committee in Pittsburgh Friday recommendations were made to the board of trustees of the college that they award the designated contracts immediately.

Carl W. Shimp of Wheeling was given the committee's recommendation for the general contract; the Folsing Electric Company, Wheeling, the electrical work; the McVehi Plumbing and Heating Company, Washington, Pa., the contract for that work. The total amount of the contracts recommended was \$230,000. The Bethany board meets next Monday to make the awards.

The present dormitory will be completely rebuilt and made fireproof. When completed it will scheme up with the new section and the entire structure will then provide accommodations for over 100 girls.

Find Body Of Missing Man

Find Farmer's Body At Bot-
tom Of Dam, Weighted
Down With Rocks

AKRON, O., June 8.—Weighted down with heavy rocks, the body of Charles Chandler, 45, Stow farmer, who had been missing from his home since Memorial Day, was found in the bottom of Call's Dam, near the Meadowbrook Country Club, late Friday.

The discovery was made by Deputy Sheriff Bert Karg, who has been in charge of the search since Chandler was reported missing last Sunday. Summit County returned to County Jail a suspect who was released on \$2,000 bond last night, after he had been held several days while searchers combed northern Summit County for the missing man.

The man held was a roomer at the Chandler home until a few weeks ago, when he was ordered away by the man who authorities now say was murdered.

As far as could be ascertained by officers, there were no marks of violence on Chandler's body, but a post mortem was to be made by County Coroner M. B. Crafts to determine if the man was dead when placed in the dam.

Chandler's wife, the mother of five children, is confined to her bed under doctor's care.

Plan To Broadcast From Moving Plane Over New York City

(International News Service)
NEW YORK, June 8.—Two air-planes, an orchestra in New York City and speakers in Philadelphia and Washington, will figure in a unique radio experiment to be conducted on Monday night by the Columbia Broadcasting Company.

The broadcast, which will be transmitted over the nation-wide network of the Columbia Company, is aimed at the perfection of co-ordination between aeroplane and ground broadcasting.

Broadcasting from a single plane has been accomplished in the past, but the Columbia experiment will mark the first time that a conversation between two planes in flight will be broadcast. It also marks the first time that the key control of an entire broadcasting network will be transferred to the air.

Very Complicated
The technical arrangements for the stunt are decidedly complicated, but they do not involve the use of any new developments in either radio receiving or transmission.

Two planes, carrying two announcers of the Columbia system, will take off from Hadley field shortly before 11 o'clock eastern daylight saving time. Several minutes later the program will open when an announcer in the studio of station WABC, New York, introduces the announcer in one of the airplanes. This announcer, who will hear himself introduced over a short wave set, will then take up the program immediately.

Unique Broadcast
He will say a few words regarding the experiment and then will call upon an orchestra leader in a local hotel to render a few selections. When the music is concluded the flying announcer will introduce Captain Lester B. Seymour, who will speak from WCAU in Philadelphia.

Another musical selection from New York will follow Seymour's talk and then Assistant Postmaster General W. Irving Glover will be called upon to speak from Washington.

When Glover walks away from the microphone in Washington a conversation between the occupants of the two circling planes will be broadcast. This broadcast is considered the most difficult feature of the experiment, both from an aviation and a radio standpoint.

ing with the president Mrs. F. S. Neigh presiding. The president of the invocation.

Mrs. James Drake had charge of the devotionals. The topic of the day was "Stop Singing." Prayer was given by Mrs. Drake. Roll call was answered by a verse of Scripture, on "Light." Mrs. Baer reported two new members. Miss Newton the treasurer gave her report.

Mite box opening will be held July 5 at the church. Miss Ella Long will be program leader and Mrs. Mechem hostess. A demonstration entitled "Tithing Eggs" was given by Mrs. James Drake, Mrs. Martha Kether and Mrs. J. B. Daugherty. Kenneth Myers sang very beautifully "One Sweetly Solemn Thought" and "Mother McChree" accompanied by Gretchen Myers.

Following the program the members were invited to the dining room where the hostess served dainty refreshments. Mrs. F. S. Neigh and Mrs. H. C. Weaver, board of directors, gave flowers to the decorations throughout the home.

Modern Pastor

Realizing the lure of the out-of-doors and its effect upon summer attendance at church the Rev. W. L. Beal, of Owosso, Mich., has decided to start his services at 8 o'clock in the morning and continue them for only a half an hour. Thus his congregation can worship and also have the greater part of the day for recreation.

Commencement At New Wilmington

Baccalaureate Service In United Presbyterian Church Sunday

Commencement activities of New Wilmington high school begin here tomorrow evening in the auditorium of the local United Presbyterian church where Dr. W. Charles Wallace, president of Westminster college, will deliver the baccalaureate address to the graduating class.

The baccalaureate service will begin promptly at 8 o'clock and the seniors will march into the church garbed in academic costume. The choir of the church will sing a few anthems. Dr. Wallace will make the address of the evening.

Class Day exercises will take place Tuesday evening in the Community House while the regular commencement exercises will be held in the United Presbyterian church Wednesday evening with Dr. C. C. Green, Supt. of New Castle public schools, making the commencement address.

Announcement was made here that Ralph D. Spears, son of Mrs. E. H. Spears who lives north of town, won the \$500 essay prize in the contest sponsored by the American Chemical society. Mr. Spears winning essay was entitled, "The Relation of Chemistry to Agriculture." Mr. Spears is a student at Slippery Rock State Teachers College.

The senior class of the local high school were guests of the school faculty at a steak fry. The party was informal and very enjoyable to both teachers and students.

Professor Walt Whitman, newly elected New Wilmington school principal, visited here this week.

Mrs. J. G. Berry of Boise, Idaho, is visiting here with her sister, Miss Janette Schaefer.

Notice Winodausis
Winodausis picnic will be held at Cascade Park, at noon June 12th. Members are requested to bring their own dishes, silver and sandwiches. Coffee and ice cream, furnished by the committee.—adv 2t.

Rev. Walker To Preach Sunday In Harmony Church

A subject of compelling interest to church-goers and others will be thoughtfully considered Sunday night at eight o'clock, by Rev. Walker, in the "Harmony" Baptist church, Ellwood New Castle Highway, etc. "Why Did Christ, After His Resurrection, go into the unseen realm and preach to unsaved people who had died over two thousand years previously?" Selections from Tabernacle Hymns No. two will be used in the service of song and inspiration.

Mr. Walker will also speak in the morning and in all probability issue a clarion call to the forces working for righteousness and give timely emphasis. It is announced to "A Practicable Plan that Guarantees Church Success Anywhere. Spiritually, Numerically, Financially, etc." An unusually large attendance is expected on this occasion, which is preceded by the regular Sunday School hour.

Hiking Teacher Bound For Coast, Killed By Auto

SALEM, Ohio, June 8.—The hitch hiking trip of Raymond Harley, 22, Reynolds Pa., ended abruptly in a highway between here and Alliance when Harley was struck and killed by an automobile driven by Axel Weidenacker of Beloit.

Harley was a mathematics teacher at Hurst High school in Mount Pleasant. He died in Salem City Hospital an hour after he was brought to the institution by the driver of the death car. Harley was accompanied by Wilmer Berg, of Mt. Pleasant, Pa.

The body was returned home today. The men had left Mt. Pleasant early Thursday and planned on going to the Pacific Coast.

Judging Teams Are Named For Contest

MERCER, Pa., June 8.—As a result of last year's judging contest held at the Mercer and Stoneboro fairs judging teams to represent Mercer County at the state contest to be held at State College during the week of June 17 to 22 have been selected as follows:

General Livestock judging team: Norman Greenfield, R. D. Harold King, Mercer; R. D. Joe McGee, Jackson Center, R. D.

Dairy judging team: Frank King, Mercer; R. D. Leslie Marsteller, Fredonia; R. D. Lee Doyle, Stoneboro, R. D.

30 CASES LISTED
To date 30 cases have been listed at the Clerk of Courts Office for the June term of Quarter Sessions Court which convenes on Monday June 17, when the grand jury goes into session. Of this number all do not require grand jury action.

TO VACATE ROADS
The board of viewers composed of Charles P. Clarke and James M. H. H. of Greenville and M. E. Orr of Springfield township has approved the petition of the supervisors of Wilmington township requesting that parts of three roads be vacated. They were a burden to the tax-payers.

COW TESTERS MEET
All three cow testing associations of Mercer will meet in the Agricultural Extension office at Mercer June 12 for the purpose of discussing reorganization of the association and other important business.

All members are requested to attend this meeting and any other dairyman who are interested in cow testing association work are invited to attend and join the association at this time if they wish, so as to have the milk tested and record kept for the next association year which begins July 1.

COALTOWN CHURCH
The Sabbath Day services of the First Methodist church of Coaltown will be: Sabbath school at 10 a. m., preaching at 11 a. m., daylight services time, evening worship at 7:30 and midweek prayer service on Thursday evening at 7:30. Rev. M. E. Welcott, pastor.

Foster's Weather Forecast

WASHINGTON, June 8.—Storm that is democratic. Government made electric power is sold in Ontario at a fraction of what usurpation made electric power, made from water, at the same falls, is sold in the U. S. When such important projects as Flood Relief, Boulder Dam or Niagara Shoals are proposed or undertaken, those same democratic principles rule that our government shall make no power, nitrogen or other public benefit in competition with private corporations. Neither the Philippines nor Porto Rico have paid anything toward the making of this nation, but have cost the America farmer millions of dollars thru taxation; those same democratic principles rule that farm produce from those islands of cheap labor enter the U. S. duty free and in competition with the production from our home farms and high living standards. Democracy that does not protect our home farms and farmers should be called something else.

Weather Delays Swedish Fliers

STOCKHOLM, June 8.—The scheduled flight of Captain Aldin Ahrenbergh, who plans to attempt the westward Atlantic crossing from Sweden to America, was postponed today until Monday because of unfavorable weather conditions over the Scandinavian peninsula.

Captain Ahrenbergh planned to have tomorrow morning, but this has been found impracticable.

The flight is to be made by way of Norway, Greenland and Iceland.

The TOWN DOCTOR

(The Doctor of Towns)
Says:

A MAN CAN APPRECIATE ONLY THAT WHICH HE KNOWS.
Records show that many of the old sayings are falling by the wayside, the latest of which is the one about the impossibility of converting the hearing apparatus of a female omnivorous mammal into a silk overnight bag. A man in New York has ruined that by actually making silk of a sow's ear. But the tried and proven statement that "A man can appreciate only that which he knows" will undoubtedly outlive the span of years of the most of us.

Arthur Brisbane tells a story about a brown rat in Lincoln Park, Chicago. This rat lives happily in his hole under a tree, never doubting but that the whole park was made just for him, as some people believe the whole town in which they live was made just for them. This rat is an agnostic—you can't make him believe anything that he cannot understand and prove, and as he cannot understand or prove very much, he is happy and self satisfied. He is a good rat, however, minds his own business, and keeps regular hours. He runs up and down his little path, looks with contempt at the queer animals which live up the tree, and some day he will die in his hole, with his teeth grown long, convinced that he has not missed a thing that life has to offer.

Without intention of drawing any undue comparisons, the fact nevertheless remains that in every community there are residents, who, like the rat, deny what they can not understand; citizens who are contemptuous of that which is near them, and that which could be appreciated. Intellectually, these people are as rats—rodents to the civic life of community. These people do not know but unlike the case of rats, it does make a difference and upon the shoulders of somebody or some group of somebodies is the responsibility of doing that which is necessary to make them appreciative.

The voters who deter the building of better schools, the paving of roads and streets, the mowing of lawns, the laying of sewers, the installation of disposal plants and water filtration plants; the business people who insist on being "storekeepers" and "pooh-pooh" the idea of clerk training, yet weep and wail that chain store and capital are ruining their business; the resident to whom a stranger says: "This looks like a pretty good town," and replies: "Yeah, it's all right, if you like it"; the merchant that the community has supported but who refuses to belong to a service club or a civic organization, and who belittles, runs down and derides every attempt on the part of anyone to help the community; Mr. Average Citizen who sits back and says nothing, does nothing, with a "goodness of my affair" attitude; the ever present percentage that go out of their way to ruin the community down maliciously; the resident who takes no part in the clean-up campaign, an orphan's home benefit, hospital or other charitable drive; the property owner, resident or otherwise, who refuses to eradicate visible community abominations; the man, grown old, who cares not a whit for the swimming pool of his forgotten boyhood joys is polluted with the refuse of his factory; the gossip, the civic derelict, the knocker and the fool—these are the rodents who must be shown and taught the costliness of their ways before, and in order that they may appreciate.

Now is the time for every thinking citizen and civic organization, every business man and every city official to awaken to the very evident fact that "What was isn't"—that things have changed and that old fashioned ideas of community life will not stand the gaff of modern ways of doing things.

Vatican State Is Functioning Smoothly Today

Newly-Created Vatican State
Starts Functioning In
Earnest Today

THOUSANDS FLOCK
TO VATICAN DOOR

Ratification Of Lateran
Treaty Ends Fifty-Nine-
Year-Old War

By GUGLIELMO EMANUEL,
International News Service Staff
Correspondent

VATICAN CITY, June 8.—The newly-created Vatican state, brought into existence by ratification of the Lateran treaties completed between the Roman Catholic church and the Italian government yesterday, began to function in earnest today.

From an early hour this morning, thousands of persons from all over the city made the pilgrimage to the Vatican walls to see the great bronze door of the palace, fronting on St. Peter's Square, wide open for the first time in sixty years. The doors were half shut when the sovereignty of relations between the Holy See and the Italian state occurred in 1870, and had never been flung wide open until Premier Benito Mussolini and Cardinal Gasparri, papal secretary of state, exchanged ratifications of the accords yesterday.

Holiday Feeling.
Holiday feeling continued to prevail throughout the eternal city today in honor of the official resumption of relations and restoration of temporal power to the pope. Particular satisfaction is expressed with the entirely cordial relations that prevailed between government officials and ecclesiastical dignitaries at the ceremonies yesterday.

It had been feared that Pope Pius recent open letter denouncing Mussolini for his alleged "heretical" policies, might create some strained relations to mar the historic ceremony. But the documents completely re-establishing accord between the government and the Vatican, and freeing the popes from their voluntary imprisonment in the palace, were signed in an atmosphere of complete cordiality and good will.

Hundreds of persons visited the newly-instituted post office in the Vatican grounds today to purchase the first stamps issued by the pope in sixty years. The post office was inaugurated with appropriate ceremonies yesterday.

Local Fighters Win Two Bouts

Henry Firpo, middleweight and Frankie Rio, junior lightweight, who are living here last night scored victories in a Canton ring. Firpo defeated Mickey Pedore in 10 rounds and Rio knocked out an opponent named Haggerty.

WINS \$100 PRIZE IN NAME CONTEST

Edward P. Kemmer, a member of the General Organization Company, force which is engaged in organizing the Cathedral Re-Financing Campaign here, was informed this morning that he had won a prize of \$100 for suggesting the best name for a pleasure boat which operates in the Ohio river out of Pittsburgh.

Howard Willis Is Wanted In Cleveland

Motoring To This City To Get
Job And Father Is Killed
In Accident

Detective Butcher of the Cleveland O. police force has asked the assistance of the police here in locating Howard Willis, aged 19, who left Cleveland June 6, 1929 accompanied by his wife for this city, where he expected to secure a job as a crane operator.

Since Mr. Willis left Cleveland, his father has died as a result of being crushed in an accident and the family would like to have him return there at once. Mr. and Mrs. Willis are traveling in a maroon colored car. They are asked to get in touch with Main 1234, Cleveland, O., as soon as located.

Police Chief Warns Against Bad Checks

"Business houses and people in general of this city should beware of the bad check artists at this time," remarked Chief of Police C. O. Horner today.

"I would especially warn them against alleged pay checks of 'The Pittsburgh Pressed Steel Company, Sharon Works,' travelers certificates and even certified checks, especially where they do not know the people presenting them."

"It has come to our attention that some unknown person had a local printer print some pay checks on the printer and works mentioned within the past few days and on inquiry of the Chamber of Commerce, Sharon, it was learned that there is no such concern at present, although it is possible that there might have been several years ago."

These checks are numbered in a special manner. The man having them printed stated that he brought the work here, because the Sharon printers were too busy to print them. "Once more, I would urge all people to refrain from cashing checks of any kind, unless they know the person from whom they are cashing them."

Crazy Man Gives Self Up To Police

(International News Service)
NEWARK, N. J., June 8.—Lieut. James Bell was in charge of the desk at the fifth precinct today when a man entered.

"I'm crazy," said the stranger, addressing Bell.

"That's nothing. Lots of people are crazy," Bell answered.

"Yeah, but I'm real crazy," the visitor insisted. "I escaped from an asylum at Philadelphia."

And so it proved, according to the Newark police, the man said he is John Scholssberg, 34, of North Eighth street, Philadelphia, who escaped from the Byberry asylum here.

Lieut. Bell said Scholssberg was crazy to surrender.

Mrs. Mary Thaw Seriously Ill

(International News Service)
PITTSBURGH, June 8.—A crisis in the dangerous illness of Mrs. Mary Copley Thaw, 86, mother of Harry K. Thaw, was expected today. It was learned at the Thaw residence.

Mrs. Thaw, who has been an invalid for three years due to an injury to her hip, contracted pneumonia on Sunday, and today her condition was described as "low." Her temperature last night was reported at 102 degrees.

Novel Basis for Domestic Suit

Violation of a unique agreement whereby Mrs. Bainbridge Colby, right, estranged wife of the Secretary of State under President Wilson, promised never to ridicule her husband, is the cause for a suit by Mr. Colby, left, to break the agreement. By its terms Mrs. Colby was to get \$1,500 a month as long as she did not poke fun at her internationally-known hubby, who says that her novel, "The Green Forest," violates the agreement. His application for divorce following the publication of the book, was denied in a Paris court.

Police Chief Is Suicide Victim

Horner Reports Checks Printed
Here For Concerns Not
In Existence

(International News Service)
WOODBURY, N. J., June 8.—Chief of Police Charles J. Van Meter, 60, of Gloucester City, committed suicide in his office at Gloucester today. He shot himself through the temple with his service revolver.

Van Meter had been head of the Gloucester police department for the past 16 years. Recently a controversy arose over the police department and a grand jury investigation developed. This trouble is believed to have caused Van Meter to take his own life.

Urges Grain Feeding For Cows On Pasture

Too often, states County Agent Harold R. McCulloch, the pasture season is welcomed by dairymen as the time when clear profit can be made on milk and grain feeding is unnecessary.

"Grass is a bulky, watery feed containing approximately 75 to 90 per cent water, depending on its maturity," explains McCulloch. "It is rich in mineral matter, quite high in protein, but low in energy producing nutrients. The protein and mineral matter in grass are of high quality which, combined with the succulent nature of grass, gives it a superior

power to stimulate the secretion of milk."

Because of its succulent nature, enough grass to supply the required nutrients for high milk production and maintenance of good flesh cannot be consumed by a cow, states the agent.

Without additional feed, the cow must draw on her own reserve to make up the deficiency. This results in loss of flesh which may not affect milk production but will show a decreased milk flow during late summer and following winter.

Grain feeding to cows while on pasture is absolutely essential for a big annual flow. Home grown grains such as corn, oats or barley are sufficient for average production, says McCulloch.

Woman Is Held Without Bail On Charge Of Murder

(International News Service)
QUAKERTOWN, Pa., June 8.—Held without bail on a murder charge for the September term of the Bucks county criminal court, Mrs. K. Eleanor Kaewats, 44-year-old Richland township housewife, was remanded to the county jail at Doylestown today.

The hearing took place before Squire Gordon Lickenbill. Mrs. Kaewats confessed to shooting to death Tony Thompson, 27-year-old boarder, last Monday, claiming he attempted to attack her in the bedroom of her home.

Believe Pittsburgh Man Suicide Victim

(International News Service)
CHICAGO, June 8.—A well-dressed man about 28 years old whose suit bore a tailor's label containing the name "George Wilson, Pittsburgh, Pa.," committed suicide today by leaping into the river from the Michigan bridge.

The name found sewed in the suit of the suicide was that of a Pittsburgh clothing firm.

She was not knocked down but managed to sit on the bumper until the machine was stopped. She escaped injury.

Inquest Will Be Held In Strange New Jersey Case

Prominent Young Couple Found
Shot To Death; Governor
Orders Inquest

(International News Service)
MORRISTOWN, N. J., June 8.—An inquest will be held early next week at the insistence of Governor Morgan F. Larson into the dual tragedy enacted here in the deaths of Ruth Mowday Wilson and Horace Roberts, Jr., both members of prominent families, to still the whisperings and rumors current in this little village since the couple were found shot to death in Miss Wilson's bedroom last Sunday night.

Solving the ownership of the revolver used to fire the fatal shots was the sole achievement during the entire week of investigation. Walter Roberts, 19-year-old brother of the dead youth, admitted the gun was his police said. It had been removed from a bureau in his room.

Decision as to whether the bodies will be exhumed for the inquest will be reached today.

Market Prices Tumble Today

Speculative Selling Near Noon
Hour Sends Stock Prices
Tumbling

(International News Service)
NEW YORK, June 8.—An early advance in oil and public utility stocks in the short session of the market today was not sufficient to hold the market in line, and an outburst of speculative selling near the close forced prices of the active motor car, copper, steel and electrical manufacturing companies down from 1 to 4 points.

Radio and Packard motors were under fire in the last period. Radio losing about 3 points and Packard 4. The turnover was slightly under the average of the last four or five weeks and the market was mostly under the dominance of the professionals.

Railroad utility stock were in good demand at the best prices of the current move.

Prohibition Income Is Enormous, Shown By Doran's Report

(International News Service)
PITTSBURGH, June 8.—Liquor laws have been one of Uncle Sam's chief sources of income, and nine years of prohibition have boosted that income materially, a letter from J. M. Doran, controller of prohibition, to R. A. Robinson, local pastor, revealed today. Rev. Robinson asked for "authentic information regarding the cost of prohibition enforcement and the revenue therefrom."

Gross revenues from liquor laws total \$460,502,792 and the net total during nine years of prohibition reaches \$47,324,307. Doran's letter revealed that the cost of prohibition enforcement last year was \$5,615,157 according to Doran.

CAR BACKS OVER STEEP HILLSIDE; NO ONE INJURED

Occupants of the automobile of Arthur Kiefer 320 Hillcrest avenue had a narrow escape last night about 7:30 o'clock near the Lincoln avenue end of Crawford Terrace when the Kiefer car which was backed to turn around was backed too far and started down over the steep hillside at that point. The machine just missed a tree at the crest of the hill and kept on down the hillside for a distance of from 20 to 25 feet when it lodged against three trees.

The occupants were uninjured. The car was damaged to a considerable extent and was removed by the wrecking company called with considerable difficulty.

WOMAN INDICTED FOR \$2,800 SHORTAGE

YOUNGSTOWN, O., June 8.—Secretly indicted by the Trumbull county grand jury, Mrs. Blanche Maples, former auditor of Girard, five miles west, will appear in court to answer a charge of embezzling \$2,800.

Mrs. Maples resigned from office several months ago when a state examiner reported her accounts short. She admitted the shortage, but said she did not know how it occurred.

REPORT IS DISPROVED
(International News Service)
PHILADELPHIA, June 8.—Joe Grim, Philadelphia's famous "iron man" of the ring, today appeared "in person" to disprove reports from New York that he had succumbed last night in Bellevue hospital. The ex-boxer lives here.

Reports that Saverio Giamone, a man bearing the same name as Grim, had died in New York led to the report the famed "iron man" had gone west.

Contraband Liquor Reaches Pittsburgh Guarded By Agents

(International News Service)
PITTSBURGH, June 8.—One of the largest hauls of liquor seized in Northwestern Pennsylvania was brought here safely today by 19 heavily armed prohibition agents.

The liquor valued at \$100,000 was seized in Erie this week when prohibition agents from Pittsburgh headquarters raided warehouses where the liquor was stored by a ring believed operating across the border in Canada. Four trucks of ale and whisky made up the caravan over which the government agents bearing rifles, shotguns and pistols stood guard.

The cargo of liquor which left Erie after midnight was placed in a government warehouse on the south side.

Summer School To Open At High

Will Form Class In Latin 11-A;
Sessions Open At
8:30 A. M.

Summer school classes will open at the Senior high school, Lincoln avenue at 8:30 o'clock on Monday morning. School will continue for six weeks.

Prof. F. L. Orth, who will serve as principal of the summer school sessions at the high school building, announces that a class in Latin 11A will be formed on Monday. It was thought at the close of the regular term that due to the fact that but few had signed up for the work no class in this subject would be organized. Later it was decided to do so.

Roman Aristocracy Attends Wedding Of Young Couple Today

(International News Service)
ROME, June 8.—A brilliant wedding of international interest took place here today when Count Francesco Di Campello, son of one of the most aristocratic families in Rome, was married to Miss Maria Francesca Dusmet, De Smours, the daughter of Marquis and Marchioness Dusmet De Smours.

The Marchioness was formerly Miss Edith Oliver, daughter of Mr. and Mrs. G. B. Oliver, of Pittsburgh.

Practically all the aristocracy of Rome was represented at the nuptials. Crown Prince Humbert of Italy came especially from Turin to attend.

Two ceremonies were conducted, one civil, the other religious. The civil ceremony took place at the capitol at 2 o'clock with the governor of Rome acting as registrar official. The religious service was celebrated in St. Theresa church at 11 o'clock.

As the civil ceremony the official witnesses for the bride were her uncle, the Duke Dusmet and the Duke Torlonia. Witnesses for the bridegroom were his uncle, Marquis Giuseppe Paritzi and General Count Atrodi Di Robbiate, of the Italian cavalry.

The Credit Exchange

This is an educational institution for the people as well as a Credit Rating Bureau for Merchants, Professional Men and Bankers. It aims to teach the people not to abuse the best asset they have, "A good credit rating."

There is no other thing that will show up a man's true character so surely and correctly as the manner in which he takes care of his obligations.

Credit is confidence in you to make an honest effort to redeem your word of honor given at the time the bill is contracted.

Don't overlook an opportunity to improve your credit record for it follows you wherever you go, and if good gives you prestige in the community, but if bad it embarrasses you.

An Honest Man will protect his Credit; a Dishonest Man has None to Protect.

As Skipper Of Honeymoon Ship Put Into Port With Bride

Two Central Press telephotos snapped as Colonel Charles A. Lindbergh put into York Harbor, Me., to take on gas and supplies before continuing his honeymoon cruise with the former Anne Morrow on their cabin cruiser Mouette. These photos of the colonel are the first taken since his marriage to Anne Morrow at Englewood, N. J. Mrs. Lindbergh remained in the cabin while her husband braved the crowd on the wharf. As they cruised into York Harbor the two were seen sitting, each with a hand on the wheel.

Bible Class Meets At Jos. Leyde Home

Regular monthly meeting of the Young Men's Bible Class of the First Congregational church was held last evening at the home of Mr. and Mrs. Joseph Leyde of Neshannock avenue. There was a good attendance of the members. The special guests of the occasion were Attorney John Powers, Morgan Jones and Earl Book.

Rev. Ross T. Williams of Bangor, Pa., who will occupy the pulpit of the First Congregational church on Sundays, June 9 and 16, was the principal speaker at the meeting, taking as his subject: "The Fight I Am In." He is a young and forceful speaker, much in demand by civic and patriotic organizations, and his address was most interesting and helpful.

The next meeting will probably be in the form of a picnic at Harlanburg Camp. The committee to arrange for the next meeting consists of D. O. Davies, Thomas Grey and John C. Williams.

The class sang several numbers and readings were given by individual members. At a seasonable hour dainty refreshments were served by the hostess, who was assisted by Miss Blodwen Grey, Mrs. William Jones and Miss Bertha Lenhardt.

State Of New Jersey Will Ask That Henry Colin Campbell Be Put To Death

ALLEGED SLAYER OF MRS. MOWRY

Case Early In Spring Attracted Quite Some Attention Due To Gruesomeness

(International News Service) ELIZABETH, N. J., June 8.—New Jersey's alleged "torch murderer," Henry Colin Campbell, 51-year-old engineer, publicity man and sales promoter, will go on trial in the supreme court on Monday charged with shooting Mrs. Mildred Mowry to death, then soaking her clothing with kerosene and setting the body on fire.

Campbell, who is seriously ill, will plead insanity. He was slightly improved today. The state will contend he was sane.

The body of Mrs. Mowry, a widow and former nurse of Greenville, Pa., was found in the snow by the roadside near Crawford, N. J., on February 23. The remains were charred and the remnants of the clothing were still smoldering.

Campbell was arrested April 11 and made an alleged confession.

Campbell had previously contracted a bigamous marriage with Mrs. Mowry. Investigation of his career showed he served time in San Quentin prison, California, after being convicted of forgery in San Francisco in 1919. He married Sarah Phelan in New York in 1900, but sent her to St. Louis when he fled to Mexico after being indicted for larceny in New York county in 1904. In March, 1916, he is alleged to have married Emma Bollock in Omaha, Neb., Mrs. Emma Phelan Campbell having died in the meantime while visiting relatives in Australia.

Two Paroles Are Granted By Court

A. I. Wachs And Joe Falba, Who Have Been In Workhouse, Are Released

Upon the payment of \$1,500 fine and costs, A. I. Wachs, who has been serving a sentence in the Allegheny county workhouse on a liquor charge, was paroled by court this morning. Wachs was sent up for eight months with the understanding that he would be paroled at the end of three months, provided \$1,500 fine and costs were paid. He decided to pay and secure his release.

Joseph Falba, who had been sentenced on a third liquor offense for two years and six months to the workhouse, was paroled after having served one year and four months. Parole was granted owing to a large family, consisting of wife and seven children, who have been in hard circumstances. It was believed that Falba would be able to take care of his family if given his liberty.

Work Progressing On First U. P. Church

Hope To Have Part Of Structure Ready For Roof By End Of Month

Work on the construction of the new First U. P. church at Albert street and Glenmore boulevard is now well under way and a fair idea of what the fine new edifice will look like when completed is being gained by those who have seen the building in the last few days.

A force of 11 masons and a number of bricklayers are steadily pushing the walls upward and by the end of next week will have the building at a two-story height.

The entrance, which is of Indiana cut stone with panels of dark native stone, has been completed. The work of setting the tracery windows which will be of buff Indiana limestone will be started next week.

The structure will be one of the most beautiful in the city when completed. J. Clyde Giffman, the contractor in charge, stated that if conditions are favorable, it is hoped to have the building ready for dedication at Christmas time.

ELKS TROOP No. 5 The Elks Boy Scout Troop No. 5 held its regular meeting Thursday evening, June 6th, at the Elks Home. Assistant Scoutmaster Robert Allen, assisted by Senior Patrol Leader Alfred Howard, was in charge of the meeting. Orlan Hartman was a visitor.

Games were played and one of the Scouts played several selections on his mouth organ. Scout Victor Wagner displayed a model airplane that he had built and it is a remarkable piece of workmanship.

Scoutmaster Haley made the following announcements: all Scouts should make reservations for camp at Camp John M. Phillips at once so that the entire troop may go the same period; the first aid team, which won the R. J. Tully trophy, will compete in the western Pennsylvania Finals at the Carnegie Tech campus on July 13th, and Sandy Howard and his camporee team, composed of Raymond Haley, Billy Boyard, Randall Beck, Willbur Stevens, Bill Fair, Ed Chapman and Joe McCornahy, will offer some strong competition at the camporee June 12 and 13.

The next meeting will be held outdoors and will be a wicker and marshmallow roast. The details of the meeting will be announced later and all Scouts are requested to watch for them.

Troop reporter, Bill Fair.

BOARD OF REVIEW The Lawrence county council Boy Scout board of review will be held Tuesday evening, June 11, at 7:30 in Boy Scout headquarters, Greer building. All Scouts must have their cards in at Scout headquarters not later than Monday, June 10, at five o'clock. This will be the last board of review before camp opens, so all boys wishing to be reviewed in their tests should be present. Scout Commissioner Ralph F. Davis will be in charge.

(International News Service)
GASTONIA, N. C., June 8.—Chief of Police Adair Holt lay possibly mortally shot in a hospital today and five other officers were receiving attention for bullet wounds after a night of disturbances in the Lory mill strike zone.

Summoned by the mill officials who feared an attack by strikers or their sympathizers, Adair Holt and his men were met by a fusillade of shots. Every policeman in the squad was struck by a bullet before he had a chance to draw a weapon in defense.

There was no clew as to who did the shooting and no arrests were made.

Westminster Guild Has Fine Meeting

Miss Leola Weisbaker, Bride-
Elect, Honored With Sur-
prise Shower

Misses Virginia Guy and Maxine Stickle were joint hostesses to the members of the Westminster Guild of the Mahoning Presbyterian church in the former's home on West Madison avenue Friday evening. Sixteen were present. Special guests were Miss Margaret Carlson of Bessemer and Miss Thelma Seroka.

A program was carried out. Devotionals were in charge of Miss June Leicht. The missionary topic, "West Indies" was discussed in an interesting manner by Mrs. D. C. Schneebly. A business meeting followed being conducted by the president. The society will have a picnic on July 14. Special day card cards are to be given to members just as soon as they arrive, on each special day a coin is to be inserted on the card, money received in this way will be for the society apportionment.

A social time followed the program and at a seasonable hour dainty refreshments were served by the hostesses. Luncheon tables were prettily decorated in green and white tones, with green and white tapers in crystal holders and attractive place cards.

A feature of the evening was a surprise shower of gifts presented to Miss Leola Weisbaker a bride elect of this month and a member of the society. The shower was miscellaneous and gifts were mostly in green and white. Miss Weisbaker was the recipient of many pretty and useful gifts.

The next meeting of the society will be in the form of a picnic on July 14.

CLASS DINNER

Covers were arranged for 20 at the twelve dinner of the McCoy Bible class of the Mahoning M. E. in the church dining room Friday evening. The dinner table was prettily decorated with bouquets of spring flowers. An elaborate menu was enjoyed.

At a short business meeting plans were discussed for a class picnic to be held next month. Committee named in charge of the arrangements, Mrs. M. C. Adams, Mrs. A. C. Hyde, Mrs. John McMullen, Mrs. W. J. Beier, Mrs. H. T. Evans, Mrs. Frank Gibson, Mrs. Myrtle Miller.

Devotionals were in charge of Mrs. Charles Thompson. The missionary topic, "West Indies", was discussed by Mrs. M. L. Wilkinson, Mrs. R. V. Welch and Mrs. L. A. More. At the business meeting the society decided to accept the apportionment for White Cross work. Other business of the society was also transacted.

Following the program there was a social hour spent in chat. Hostesses were Mrs. G. E. Cook, Mrs. John Atkinson, Mrs. C. B. Farver. No refreshments were served, the money being turned into the treasury.

THE monthly electricity bill for operating a Welsbach is remarkably small. Operating at Low Pressure and Slow Speed, it requires very little electric current.

It is economical also because it requires almost no attention, and does not have to withstand the the wearing strain of high speeds and high pressures. A Welsbach runs with practically no vibration or noise—which means less wear and tear on the system.

The Welsbach Cabinet is an additional source of economy. It is superbly constructed, distinctive in appearance and lined with two to three inches of laminated cork board—the finest type of insulation.

An investment in a Welsbach is one of the most completely satisfying purchases you can make. A remarkably easy time payment plan is available.

Red Cross Nurse Reports Activities

Service During May Includes
Home Visits And Conduct-
ing Of Clinics

During the month of May there were 19 cases that received attention

from the Lawrence County American Red Cross through Miss Kathryn A. Hite, Chapter nurse, according to her report submitted to national headquarters in Washington today.

The features of the report follow: Cases brought forward from April—19.

New Cases—8.
Readmitted cases—1.
Dismissed cases—12.

Cases carried over into June—7.
Miss Hite also noted in her report that the Hillsville clinic conducted each summer under the auspices of

the state health department and the Red Cross had been reopened on May 28. There were seven clinics conducted during the month.

The Story Of The World War
XXX—Russian Victories In Galicia

THE DEFEATS SUFFERED BY THE RUSSIANS IN EAST PRUSSIA (AUGUST, 1914), WERE MORE THAN BALANCED BY THEIR BRILLIANT SUCCESSES AGAINST THE AUSTRINIANS. FIRST, AN AUSTRIAN ARMY THAT INVADED RUSSIAN POLAND, SEEKING TO CUT RUSSIAN LINES OF RAILWAY COMMUNICATION IN THAT REGION, WAS HEADED OFF AND HURLED BACK.

THEN, THE ARMIES OF THE CZAR, UNDER GRAND DUKE NICHOLAS, ATTACKING ALONG A 200-MILE FRONT, SHATTERED THE AUSTRIAN LINE AND, SWEEPING ACROSS THE FRONTIER, THRUST DEEP INTO GALICIA.

BEFORE THE ONSLAUGHT OF THE MIGHTY RUSSIAN "STEAM-ROLLER" THE AUSTRIAN LEFT AND CENTER WERE DRIVEN BACK TO CRACOW AND INTO THE CARPATHIAN MOUNTAINS. SEPTEMBER 2, 1914, THE STRONGLY FORTIFIED KEY-CITY OF LEMBERG FELL INTO THE HANDS OF THE VICTORIOUS INVADERS.

ANOTHER AUSTRIAN ARMY FELL BACK TO THE MIGHTY FORTRESS OF PRZEMYSL, WHERE IT WAS PROMPTLY CUT OFF AND BESIEGED BY THE RUSSIANS. THESE SUCCESSES CHEERED THE ALLIES AND LED THE RUSSIANS TO BELIEVE THAT FINAL VICTORY WAS ALMOST WITHIN THEIR GRASP.

THE ART OF LETTING ALONE

If we were more proficient in the art of "letting alone" we might be happier and help others be happier. It seems to be a dogged and persistent human tendency to nag and to irritate and to open situations that have once been closed. When two persons are closely associated, the knack of knowing what topics to avoid reveals a high degree of legitimate diplomacy. As one grows older one learns that but a few things matter. Why fret or bother about the great host of things that do not matter?

SHOULDER CHIPS

Men—or politicians—who go around with chips on their shoulders waiting to be attacked are small boys who never grow up. Office holders and office seekers who are so sensitive they can hear a pin drop into a soft hat at 50 yards succeed in making themselves ridiculous. Men who jump when nobody hits them and sob on the shoulders of their henchmen when somebody crooks a finger at them are merely absurd.

CHINA UNDER WAY

T. Z. Koo, one of the ablest of Chinese leaders and a foreign secretary of the Y. M. C. A. is in this country. He brings encouraging word from the great eastern republic. China no longer is cut up with two governments. It has a nationalist government and men of education and ability in its cabinet. There are rebels, but they are sure. Revolution is usually brewing, but gradually the best minds are becoming concentrated on the job of making a stable republic.

Once give China a good government and, with her marvelous resources and the sturdy, industrious character of her people, a great nation will march into the forefront of the world's affairs.

"PUBLIC DEMAND"

Don't be mistaken by the office runner who says he is going to be a candidate because of the demand of his friends. Don't be fooled by the chaps who say he runs only in response to public demand. The public isn't that

way. The public doesn't demand that anybody run for anything—and doesn't much care. Nobody is so good so indispensable that the people rise up and call him from afar.

Most of us would admire a man more if he came out in the open, quite honestly, and announced that he was a candidate for office because he felt that he couldn't be happy until he got that office. Most of us would admire a candidate who would say: "I want that job because I need the salary and I think I would like the work—if any—and I like to be pointed out as the Honorable So-and-So when I walk into a restaurant or go to a ball game."

Now, there's a platform a man might run on, normally and honestly.

KIDNEYS SELDOM FREE FROM POISON

Clean Them Out And Backache, Sideache And Bladder Troubles Go.

It's mighty close to the truth to say that there are ten thousand apparently healthy people in America today who will have kidney disease, dropsy or some form of kidney disease within two months.

If you have backache, or the slightest suggestion of backache, don't take chances. Get a bottle of Thompson's Barosma today and give your kidneys a thorough cleaning. They probably need it. If they don't, Thompson's Barosma is a good tonic anyway and will do you good. Price \$1.00.

Thompson's Barosma is guaranteed by all drug stores to relieve kidney or bladder disease, no matter how distressing, or money back. Put up in liquid form, is quickly assimilated and goes directly to the seat of trouble. The very first dose should make your sick kidneys feel better, but bear in mind when constipation is present, Golden Lax Tablets should also be used. 25c and 50c.

WITH the new Graybar Two-Speed Clothes Washer, there's no more laborious emptying of the tank by hand! No more carrying heavy pails of water! No more disagreeable work of any kind when you finish washing!

To drain the tank, all you do is to hook the nozzle of the rubber drain hose over the edge of the tub. A pump driven by the washer motor empties it in two minutes.

Then—a quick rub with a damp cloth, and the fine white porcelain enamel tank is as clean as the day you bought it!

A reminder: Of course you've read all about the remarkable two-speed feature of this clothes washer (a fast speed to wash everyday things thoroughly... a slow speed to wash delicate things gently). This is just to remind you that you simply can't know how satisfactory washing can be till you see these two speeds in action!

WILSON'S ADVENTURES IN ANIMAL LAND
BY MRS. ROBERTA SMITH VINCENT

AN EXCEPTION TO THE RULE

"Don't you speak to my daddy like that," cried Tommy Goslin, planting his sturdy little body directly before Wild Heron and looking fearlessly up at the longlegged chap.

"My father has the best memory in the world. Wild Geese remember things better and longer than any other birds, so I've been told. He has not forgotten how you Herons fear the plume hunters for the terrible things they do to you, any more than he failed to remember where you lived."

"Do you suppose that my Father Gander would bring an enemy down upon you?" To be sure, the stranger was no wings and walks straight upon his two legs instead of waddling on webbed ones or wading on stilts, but, just the same, stranger likes all birds. I know, for I have heard him say so himself.

"Shame on you, White Heron, for being so suspicious of your old friends. I could never forgive you for thinking so badly of us if I did not know you were so upset over losing your wife that you did not know what you were saying." Gentle Mrs. Wild Goose was more indignant than the boy had ever seen her.

"I was telling our guest what a wonderful chap you were—how nice and kind and friendly—and now you go and spoil things by treating a splendid fellow like a thief. I don't care what you say to me, you can't hurt my feelings, for I like you too well—but I am sorry you have acted so strangely to a friend of mine."

Gander at last had found his voice and he spoke sternly to the white bird.

The boy wasn't going to be the cause of any trouble between old friends. Besides, he felt sorry for poor White Heron, who was still trembling. He stepped forward, thinking it was up to him to straighten things out.

"I don't blame you a bit, White Heron," said he. "Poor old fellow, no wonder you fear and hate the very sight of a Two-Legs when they have hurt you so. I am not a hunter—never could be a hunter. For I love the feathered folk to well to harm a feather on their bodies—so if you can forget for a little while that I belong to the Human family, can't you and I be friends?"

"If you do not take my word for all I say, ask any of the passing birds about me. I'll bet in most of the flying flocks you will find some

one who has known me well, some one who will tell you I am a Two-Legs to be trusted."

New Schedule Of Classes At Y. M. C. A. For Summer Announced

Class schedules which will be in effect beginning June 10, for the various classes at the Y. are announced by Henry MacNicholas, acting physical director.

There will be no meetings of the free clubs during the summer months and these time changes will effect the other boys' groups.

The schedule follows:

Midweek—8 a. m. on Monday, Wednesday and Saturday; junior B and junior A group, 10 a. m. every morning of the week excepting Sunday. Junior employed group, 6:15 p. m. on Monday, Tuesday, Thursday and Friday.

COLORADO JUDGE IN FAVOR OF SPANKING

(International News Service) ALAMOSA, Colo., June 8.—Because he has found frequent need of such a contrivance in his court, County and Juvenile Judge James Hyndman of Alamosa county is searching for a "properly regulated spanking machine," which, he believes, would be a material aid in controlling American youth.

Recently Judge Hyndman has sentenced four different boys to a good, sound spanking, to be administered by their fathers. The judge dispatched a deputy sheriff in each case—to see that the spanking was sufficiently severe.

Florida bootleggers who had confessed could not supply a corkscrew when the judge wished to make a test of the evidence, proof that these purveyors of modern poison never drink their own concoctions.—The Sioux City Journal.

SEVEN OUTSTANDING REASONS

WHY YOU SHOULD SEND YOUR CLEANING TO SMITH'S

1---Formprest Service

No imitation but REAL. It made the biggest hit in New Castle with men and young men. Costs no more than ordinary flat pressing.

2---Purified Solvent

A continuous flow of 100% purified crystal clear solvent free from grease and other impurities not only cleans gently and thoroughly but restores the original bright-newness of your garments. Also your clothes stay clean longer.

3---Spotting

If any spots are found which the first cleaning has failed to remove, delicate and all other garments are turned over to the spotting department. Expert chemists study the nature of the spots and apply such a solvent which will remove them with least injury. This service is essential to high quality cleaning.

4---Repairs

All garments thoroughly examined for minor rips, tears and missing buttons. Any necessary repairs are made in our own tailoring department, before garments are pressed. RELINING AND ALTERING NEATLY DONE.

5---Insurance

Every garment is covered by insurance. When you send your garments to Smith's you can relieve your mind of all worry as to its safety.

6---Delivery Service

Our trucks cover all parts of the city and suburbs. Emergency one day service delivery is maintained without extra charge. Garments delivered in dust-proof bags.

7---Rug Cleaning

Legion Holds Open House At Home Friday Eve

District Commander Mike Kane Of Aliquippa Is Special Guest Of Evening

FINE PROGRAM IS OFFERED MEMBERS

Perry S. Gaston Post of the American Legion held open house at the Legion Home Association building Friday evening, when more than a hundred members assembled for the occasion.

A short business session was held during the early part of the evening for the transaction of necessary business.

Report of the book sale recently held was given by Chairman H. H. Rosenthal, which showed a neat sum of money was realized by the post. The post voted to join with Harry L. McBride Post, Veterans of Foreign Wars, in purchasing colors for the Col. Daniel Leasure Post, Spanish-American War Veterans, which will be presented on June 17th.

The post also voted to contribute the sum of \$25 to New Castle Post No. 528, composed of local colored ex-service men, toward the purchase of colors for the post.

H. E. Miller, representing the Erie R. R. Co. asked the co-operation of the post in presenting a safety film to one of the local moving picture houses, and Major Guy Wadlinger was named chairman of the committee to represent the Legion in the matter.

It was announced during the meeting that election of delegates to the state convention at Scranton in August would take place at the next meeting of the post in July.

Following the business meeting a fine program of entertainment was carried out. A number of pupils of Miss Nellie Brady, local dancing instructor, presented special dance numbers, which were greatly enjoyed.

Those who took part in the dance program were Ruth Thompson, in an acrobatic dance; Jean Bartsch in a song and dance number; Betty Buchanan, tap dance, and Ruth Phillips, tap dance.

Following these numbers Herbie Jimer entertained with a number of selections on his one-stringed Chinese fiddle, followed by pep singing led by Emrys Davis.

District Commander Mike Kane was then introduced by Commander Ivor V. Davis. Commander Kane complimented the members of the post on the interest they have shown in Legion activities this year, stating that it was the example set by the Perry S. Gaston Post which had resulted in renewed activity by other posts in the district. Consequently the district has only a few posts in Butler county which have not equalled or exceeded their 1928 membership, and but 28 members are needed to put the district over the top, an honor which has only been achieved twice before in the history of the state.

He also boosted the candidacy of Pat J. Dempsey for state vice commander, stating that the 25th district would be behind him to the man and that Mr. Dempsey deserved the recognition which his election would bring because of the interest he has shown in Legion affairs.

Following the program lunch was served by a committee headed by Nick Speed and John Wilson.

Tom Edmunds and Dr. H. H. Rosenthal were in charge of the entertainment program carried out, the meeting being one of the finest yet held by the post.

ASPINWALL HOSPITAL MAY SOON BE ENLARGED

(Special To The News) WASHINGTON, June 8.—As soon as the contracts for the construction of the new veterans hospital in New Jersey and at Coatsville, Pa., have been let, the federal hospitalization board will be ready to turn its attention toward awarding a contract for enlarging the veterans hospital at Aspinwall, Congressman J. Howard Swick has been advised by General Frank T. Hines, director of the United States veterans bureau.

Congressman Swick has been urging that the Aspinwall hospital be enlarged for some months, and according to General Hines it begins to appear that such an enlargement will be accomplished before long.

The general has informed Congressman Swick that after the New Jersey and Coatsville hospitals have been cared for, approximately \$200,000 will remain in the fund for improving veterans hospital facilities which may be spent on the Aspinwall project. The expending of \$200,000 on the Aspinwall hospital should make possible the addition of at least 80 beds.

One Man Killed, Four Are Injured When Cable Breaks

ROCHESTER, Pa., June 8. — One man was drowned and four narrowly escaped serious injury when a cable broke on the new Rochester-Monaca bridge, knocking four 90 feet into the Ohio river.

The men were working around a derrick on a stone pier, near the Rochester side, preparatory to starting steel work, when one of the guy wires which helped secure the derrick snapped.

The dead man was Frank Watler, 28, of Washington, Pa. His body was recovered several hours later near where he had fallen. Roy Lett, 25, of Kenova, W. Va.; Mike Knoch, 37, of Buffalo; Peter Scammarich, 35, of Buffalo; and the derrick, of New Martinsville, W. Va., and L. G. Jones, 28, of Columbia, Tenn., were thrown from the pier.

ENON VALLEY

The Old Timers Fiddle contest held by the local high school in the I. O. O. F. hall Friday evening was a decided success. Much to the enjoyment of the capacity audience the fiddlers made the evening merry. A good sum was netted for the high school to defray expenses for commencement.

Baccalaureate services for the six graduates of the local high school were rendered by Rev. Davidson in the Presbyterian church Sunday evening. A large crowd was in attendance. The remainder of the high school furnished the choir and was ably directed by Elmer Karmagay, musical director of the school.

Monday evening the Junior-Senior banquet was served by Mrs. Wm. Imboden, to fourteen guests, which included besides the two classes the faculty. A delicious full course dinner was served and a color scheme was carried out in green and white class colors. Music and interesting games were the evening diversions.

Wednesday evening Commencement exercises were held in the Presbyterian church before a capacity audience. The commencement address was given by Dr. Tinker of State Teachers College, Ellipsbury Rock. Miss Nachline Dunlap the only student speaker, presented the key to the Junior class which was accepted by Miss Mary Prescott, Junior class president. Music was furnished by the Mt. Jackson high school orchestra. Asst. Supt. Charles F. Ball presented the diplomas. The class colors were green and white and the motto was "Character is the Foundation to Success." Those who received their diplomas were: Misses Ruth Speerchar, Nachline Dunlap, Marjorie Storton and Helen Kerr, and Ross Strohecker and Norbert Linder.

Robert Stauffer, who has been in a serious condition which necessitated an operation for acute appendicitis at the Salem hospital is much improved at this writing.

Miss Ellen Young motored to Wood-

ter, O., for the week-end where she was the guest of friends at Wooster College.

Walace Madden is home from Haneman Medical College for the summer vacation.

Mrs. Bessie Zimmerman has returned from Cleveland, O., where she spent the past week.

Miss Ella Craig and brother and sister of Charleroi spent Sunday at the home of Mrs. John McCown.

Mrs. B. T. Frazee was a Freedom visitor Tuesday. Rev. and Mrs. McCalmont of Valencia were here Wednesday evening attending the commencement exercises.

Mrs. Ella Madden is in Pittsburgh where she is attending her mother who has been seriously ill.

Mrs. Elmer Karmagay had as her guests Sunday her sisters from Reading, Pa., and Toledo, O.

Mrs. John McCown is suffering from the effects of bad eyes.

Miss Marion Cotton will teach the coming term at Cannonsburg.

P.O. Company Wins Another National Honor

Places Second in Nation Wide Contest Among Electric Companies

New national honor was won by the Penn-Ohio System yesterday at the convention of the National Electric Light Association at Atlantic City, when the local power and light company was placed second in a nationwide contest among electric companies for the Federal Electric Award. The contest was founded by the

Schmidt; 8B-2: Betty Norris; 8B-3: Leah Bird, Eleanor Horner, Floy Ray; 8A-1: Mildred Layton; 8A-2: Ruth Davis; 8A-3: Olive Webb; 8A-4: Mary Catherine Jackson, Jane Meyer, Helen Miller; 9B-1: Vera Salomon, Robert Snyder; 9B-2: Virginia Calahan, Gertrude Graham, Suzanne Powell, David Long, George Muse, Tom Stevenson; 9B-3: Lois May Curry, Anna Maxine Kennedy; 9A-1: Grace Barth, Frances Blaney, Ethel Fye; 9A-2: Marie Kugrass; 9A-3: Alexander Brinko, Jean Pallen, Florence Saffer; 9A-4: Glenn Kellogg.

Honorable Mention, A's, B's, 2-C's
 7B-1: Robert Mercer, Jean Gardner, Marjorie Kellogg, Betty Rice, Virginia Wilson; 7B-2: June Brown; 7A-2: George Benscoter; 8B-1: Ruth Schuler; 8B-2: John Robinson; 8B-3: Eleanor McDill, Laura Snider; 8A-1: Elizabeth Miller; 8A-3: Mildred Owens, Marian Wilson; 8B-1: Sallylou Byers, Grace Davis, Mildred Dobbins; 9B-2: Pauline Nelson, Clyde Snannon; 9B-3: Mary Lou McCamie; 9A-2: Dick Rankin, Anna Pops, Virginia Plammore, Eleanor Fuller; 9A-3: Clement Semler, Claribelle Flynn, Anna Kelch; 9A-4: Virginia Specht, Charlotte Whiting.

Federal Electric Company was open to all electric companies and was upon the basis of the greatest accomplishment in the interest of electrical advertising. The decision of the judges was very close, the Edison Electric Illuminating Company of Boston winning over the Penn-Ohio only by a slight margin. In as much as the Boston is one of the largest electric companies in the country, the honor achieved by the local company is all the more important.

The Penn-Ohio's work in developing a maintenance service for electric signs and all unusual and hard-to-reach illumination and its consistent work in developing display use of electric illumination for its customers were the chief factors in bringing the new honor upon it. Its maintenance service was developed in the local field, making it possible for all users of electric advertising to have their signs and other electrical displays give them full advertising value at all times.

Days' Prayer In Congress

The Chaplain, Rev. James Shera Montgomery, D. D., offered the following prayer:

While our days are passing by, our Heavenly Father, we praise Thee. How lovingly Thou dost brood over Thy children. The glories of Thy kingdom are love and joy and rest. Thy mercy, O God! The amazing wonder of it! Time does not breathe upon it; it stretches far beyond the tomb and the cloud. How the thought stirs and rejoices us. Merciful and gracious, here and now and forever more. Hear us, Father. By candor and by courage may the right prevail today. Renew our strength and freshen our intellects by fellowship with the good, the true, and the beautiful. In the name of Jesus our Savior. Amen.

Officer's Friends Unable To Account For Suicide Actions

WASHINGTON, Pa. June 8.—Patrolman Charles England, 39, of Washington, who took his own life in a New York Hotel, left here at midnight Sunday, it was learned here today. There was no difficulties attendant on his leaving and his record here was unblemished, police reported.

He later appeared at the home of a brother-in-law in Baltimore, and no further word was heard of him until his body was found in New York.

He left his wife, Ida, and two sons, Charles, 16, and Robert, 3.

In August, 1927, England, then a motor car policeman, crashed into a pole while pursuing a speeding car on his motorcycle. He was badly hurt, and lay unconscious in a hospital for nearly three weeks.

MAN MEETS DEATH; STRUCK BY TRAIN

ALTOONA, June 8.—Believed to have stumbled across the tracks of the Pennsylvania Railroad at Barleys crossing, Duncansville, Ralph E. Young, 34, of Duncansville, was instantly killed Friday when he was run over by a freight train.

An arm and leg were crushed off the accident occurred a few blocks from the young home.

Maybe this modern disbeliever in hell is due to the fact that a prophet is without honor in his own country.

Michigan has repealed its law by which a bootlegger can be given a life sentence for selling a pint of hooch. But the purchaser of said hooch may still get a death sentence by drinking it.

NASH '400'

Leads the World in Motor Car Value

The Greatest Car in the \$900 Field

COMPARISON PROVES IT!

NASH engineers have created the greatest motor car ever built in the \$900 field.

Its features prove it. Just examine all the outstanding costly-car attractions this car offers.

Its performance proves it. Drive it and experience the great flow of smooth power from its big, high-compression, 7-bearing motor, the lightning-like get-away, the world's easiest steering.

Its size proves it. Big, comfortable, and with extra head and leg room for all 5 passengers. Finished with the lux-

ury and tastefulness usually exclusive to expensive cars.

Its beauty proves it. For the "400" body design is the style leader—beautiful beyond comparison in its field.

Its equipment proves it. There's no extra charge for froot and rear bumpers, Lovejoy hydraulic shock absorbers outboard mounted, spare tire lock and tire cover.

And its value proves it. Just compare the delivered, fully equipped prices of other cars with the low Nash delivered, fully equipped prices.

Giants In Past Few Weeks Have Climbed To Within Shadows Of League Lead

By LES CONKLIN, International News Service Staff Writer.

New York, June 8.—John McGraw's Giants, whose sensational start of the past two weeks has won them 14 victories in 16 starts and has carried them from the verge of last place to within 2-1/2 games of the National League lead, today began a series with the Brooklyn Dodgers, the only league rival they have not beaten this year. They come to the important series with the Pirates. The Cardinals who dropped three straight games to the New Yorkers were happy to see them leave. St. Louis last night, Karl Hubbell a native Missourian turned in his second victory of the week in beating them yesterday 2 to 1.

The Cards dropped into third place below the Cubs who trimmed Brooklyn again and the runners-up in the American league also exchanged berths. The Browns passed the Yankees by landing the Athletics their worst beating of the year 15 to 6, while the Yankees lost to Cleveland.

Cubs Beat Dodgers. Charley Root of the Cubs held Brooklyn to four hits in a home run by Hank Hendrick and three singles by Babe Herman winning 11 to 2. Brooklyn incidentally subdued the league cellar to the Reds who tossed out the Phillies in the 11th by a 7 to 6 score.

Ernie Brann, lowering Pittsburgh hurler, won a 6 to 2 decision over Ed Brandt of the Braves due to the latter's wildness.

The Braves picked five Philadelphia pitchers for 18 hits. Manush and O'Rourke leading the attack with four singles apiece, Manush hammered a home run with the bases loaded.

Cleveland seems to be the nemesis of the Yankees this season, having humiliated the champs four times in five games. They won yesterday by a 7 to 2 count. Dead Pan Eddie Wells the veteran southpaw who turned in the two-hit game in his last start for the Yankees was knocked out of the box.

Detroit's heavy-hitting Tigers scored 14 runs in the last three innings to snatch a 17 to 11 batting bee from Washington. Charley Gehringer collected four of Detroit's 23 hits and drove in seven runs.

HERE AND THERE IN SPORTS' LAND

By ED. FRITZ

Emmett Rocco, heavyweight fighter and Joe Cummo yesterday were the guests of Hack Wilson at the Chicago-Brooklyn ball game in Chi' yesterday. As soon as Rocco and Cummo arrived they found a pair of tickets waiting. The company of Hack who was born in Ellwood, Cummo writes that Rocco had his first workout yesterday after which Rocco was photographed. He said also that the fight will be held Monday instead of Tuesday as Paddy Harmon put the bout forward a day. Jimmie Dunn who will handle Rocco left Canton, O. this morning for the Windy City.

Fritz Otto, the heavyweight of the German army, is training for his fight here with Leo Clemens, a west from Monday night. The big boy fought Tony Puente at Erie. Tony bunted Otto's lips and the force of the collision drove the teeth through his lips. The blood could not be stopped so he referred back to act much to the chagrin of the German. Leo however, isn't worrying over Otto. "I will be more than glad to accommodate this big fellow" said Clemens yesterday. "If I bowl a couple of heavies over, I'll be settin' pretty."

Jackie King and Johnny Jennings, local lightweight rivals will romp in one of the preliminaries. Some fans would like to see King fight Frankie Moran, Pittsburgh. He will be accommodated if he wins. If he doesn't, Mr. Jennings will draw the assignment. King and Jennings have been rivals, even before Jennings took to boxing. The southpaw believes he can sink the Wampum fighter. The last time Jackie almost sank him. Some of King's friends are making a mistake in believing he is better than he actually is. He will be given a match in which he has an even break. Likewise Jennings.

Paris Cangey is one of the best hitters in the 135 pound class. There is a moot question here as to whether or not Frankie Perez can stand up under his punches like he did Herrera. Personally we do not know but there is one thing sure Cangey will try to stow him away. The last time Paris fought here everything was up in the air. Jimmie Dime and he were not getting along together. They have batted the hatchet and the fans are glad. Cangey feels like fighting and Jimmie feels like putting him through. The fight looks good.

An All-American final will be staged today at Zurich for the Swiss singles net championship when Bill Tilden and Francis Hunter clash. Tilden disposed of Edward Duplain, France and Hunter won from Worm of Denmark yesterday. England defeated Africa in the Davis cup play when J. C. Gregory and L. G. Collins won from N. G. Renshawson and Louis Renshaw. While this was going on the Germans poked the Italians. Heinz Landmann conquered George Stefani and Hans Moldenhauer won from Baron H. L. deMorgau.

Princeton Trims Slovak A. C. 10-7

The Princeton team of the City-County league hung up a 10 to 7 defeat on the Slovak A. C. of the Lawrence County league in an exhibition game played at the Princeton field on Friday night. The game was a slugfest from start to finish with several loose plays marring the battle. Smolnik on the hill for Princeton held the Slovaks in check until the third inning and then gave way to McIntyre. Lazzar relieved Russell in the third for the Slovaks.

Belmont Classic Race Today Will Draw Big Crowd

(International News Service) NEW YORK, June 8.—The sixty-first running of the historic Belmont Stakes, oldest and richest of turf classics for three-year-olds, was the magnet that drew thousands of sports lovers to beautiful Belmont Park today, the closing day of the meeting.

The race is expected to decide the three-year-old championship of the year despite the fact that Clyde Van Dusen, which captured the Kentucky Derby in a sea of mud, is not in the field. Victory appears to lie between Colonel E. R. Bradley's picture horse, Elus Larkspur, the defeated favorite in the Derby, and George D. Widener's Jack Hilt.

Five other three-year-olds of unquestioned class are entered. They are Dr. Freehand, winner of the Preakness; African, coupled with Dr. Freehand as the Walter J. Salmon and Richard T. Wilson entry; H. P. Whitney's Brazen Hill and two outsiders, W. S. Kilmer's Sun Hammer and Sunner owned by K. E. Hitt.

First established in 1867, the Belmont Stakes will have a gross value this year of \$74,940, of which \$62,390 will go to the winner. It will be the richest race for three-year-olds decided this season unless it is topped by the American classic at Arlington Park.

A slight drizzle at dawn this morning threatened to mar the running of the classic, but in spite of the fact that the weather man predicted more "clouds" for this afternoon with no mention of rain, let hope that favorable conditions would prevail at post time.

Rocco Winding Up Training Antics For Rout Monday

Elwood City Heavyweight Ready To End Training; Meets Von Porat Monday

(International News Service) CHICAGO, June 8.—Emmett Rocco, Pennsylvania heavyweight, today was winding up training for his ten round match Monday night with Otto Von Porat of Norway in Chicago Stadium.

Tommy Grogan, Omaha lightweight, arrived and resumed training for his ten round semi-windup bout with Louis Vicentini of Chile.

First Christians Trim Mahoning M. E.

The First Christians defeated the Mahoning M. E. team, 9 to 5 in a New Castle Church League game, at the Scotland Lane field on Friday night. The pitching of Sheets was a feature of the game, this youngster giving but four hits, and fanning thirteen men. The First Christians had two big innings the third and fifth when they tallied all of their runs. Nine errors marred the game, some of them had the only extra-base blow of the game.

The Leaguer's Cycle

By QUIN HALL

The minor league ball players and catch them on the rebound after they have finished their usefulness under the big top.

A few stars may be tipped off the band and a handful more may come from schools and colleges directly into the glaring limelight from the minors. And that's where old talent finally settles down in its old age.

Every minor league organization contributes its quota of the fellows who come up with a childlike confidence in their own ability. One of the chief sources of income for the minors is the bundle of cash they gather in from the big league managers for furnishing said talent. And often the bundle is too small for what the player shows later on. And sometimes it's too big.

The Blue Ridge League, oldest Class D League in baseball, has furnished the majors with some great outstanding stars. Bill Sherdel, the Card whirler, is a product of Hanover, Pa. Hack Wilson of the Cubs is from Martinsburg. Old Rube Waddell had his start in the Blue Ridge; and among the modern Jimmie Dykes, and home for the Hagerstown Hubs who have a working agreement with the Baltimore Orioles.

So it goes. The fellows who romp into fame usually finish where they got their start—at the minors. Unless they're frugal. In that case they retire.

Old-Timers Today

By GEORGE STOVALL

Frank Schulte, once famous as an outfielder with the champion Chicago Cubs, is with an oil company at Richmond, Cal. Schulte was one of the eggs in the great machine that Frank Chance built at Chicago, and which swept to the baseball pinnacle before its defeat at the hands of Fielder Jones and his Chicago White Sox spelled the beginning of the end of the Cub regime.

Schulte was a great fielder and was noted for his home run hitting. When Frank connected properly with the ball there usually remained nothing else but a slow jog around the bases for the hard-hitting outfielder.

Frank was a slow talker, but there wasn't anything wrong with his thinking. He was a smart ball player, always using his head as well as his arms and legs. That's why he was one of the Cubs' aces during the days of their glory.

New Trapshooting Champion Crowned At Conneaut Lake

W. B. Cochran Of Chester County Breaks 199 Out Of Possible 200 Shots

(International News Service) CONNEAUT LAKE, Pa., June 8.—A new champion of Pennsylvania trapshooters began his reign today following yesterday's remarkable exhibition of shooting in which W. B. Cochran of the Chester County Gun Club, led a field of 114 shooters in the Pennsylvania Sportsman's Association championship.

Cochran, breaking 199 out of 200 targets at 15 yards sent down to defeat such veterans of the sport as Steve M. Crothers, George Baldwin, Fred Meiss, of Hazelton and Dan Kessler, of Mt. Carmel.

Cochran missed his second target but from that time on he had a perfect score. A little nervous for the first few shots, Cochran for the remainder of the match behaved like a veteran. He beat out Meiss who turned a 197 out of a possible 200 targets.

The state women's title went to Joan Zerbe, fourteen-year-old girl. The runner up in this event was Miss A. Harrold, of Pittsburgh. Miss Zerbe broke 87 out of a possible 100 targets. The pro championship went to J. Howell Haines of Pittsburgh and the two-man team race was won by Cochran and G. McBrayne with a 197 out of a possible 200 score.

Crothers, five times state champion, third in the championship event, Baldwin and Kessler finished fourth and fifth respectively.

Today will bring the tournament to close with the shooting of the handicap event. Harrisburg was selected as the location for the 1930 championships.

LEHIGH TEAM WINS

The Lehigh Cement team defeated the New Castle Firemen, 25 to 6, in a Mashball League game played at Colonial Field on Friday night. The Cement team showed better form and the fact that they had held several practices were quite noticeable.

The New Castle News team will play the Firemen at Colonial Field on next Tuesday night, instead of Monday, according to an announcement made today. The News boys hope to take their second victory over the Fire Fighters.

Ruth Sick Man, Blame Yankees

Claim That Yankees Have Forced Babe Ruth To Extend Himself Too Hard

(International News Service) CONNEAUT LAKE, Pa., June 8.—Babe Ruth is just a well-paid drudge and the New York Yankees a soulless corporation, so went on exclaiming 175 pounds of flesh from a \$70,000-a-year investment that it has made Ruth the sick man he is admitted to be.

Such was the charge brought today by friends of the home run hitter, their claim being that endless exhibition games, in which the club exploits Ruth to the utmost, gave him no rest and so weakened his resistance that he was liable to constant illness and injury. Trained, they went further, to a heavy cold contracted because of what they said was cautious indifference in insisting that he undertake a long, tiring trip to an exhibition game after playing a recent doubleheader in Washington.

Ruth, they said, was completely fagged after this pair of games on one of the hottest afternoons of the year, yet was forced out early the next day and driven 16 miles in an open bus to the exhibition game at Chambersburg, Pa. They say he got a chill, en route, and has been a sick man ever since.

Exhibition games, as a rule, are quite a truck for the stars. Few of them are required to appear, unless the entire club is traveling and makes the barnstorming step between points. Even then they may not be expected to play at all or, if they are, they appear only for a few innings and let it go at that. Not so with Ruth.

Fisher Makes Public New Regulations For Industrial Policemen

Stringent Code Of Police Conduct To Prevail In Coal-Iron Fields

Powers Of New Police Will Be Limited To Corporation Property, Alone

HARRISBURG, June 8.—The regulations governing the use of industrial police who on October 1 will replace the coal and iron police were viewed today as approaching the form and letter of a stringent code of police conduct. Gov. Fisher made public the regulations last night.

The powers of the police are limited to the protection of property and facilities of corporations paying their salaries. Each corporation must file with the governor a plan showing the location and the character of the property, the regulations provide.

Close Contact. The new regulations will bring into close contact the police appointed and the persons to whom they are responsible. It is believed. The application for appointment must come from the corporation wishing the police and certificates signed by three citizens are required for each applicant on the force.

Under the new regulations, the governor will receive monthly reports from the corporations employing industrial police. The governor has the power under these regulations to revoke commissions at pleasure, and all corporations must furnish him with copies of their regulations for the conduct of the industrial police.

Adverse criticism of the act under which these regulations have been issued was current at the time of its passage but under scrutiny the new regulations seem to have lent force and authority to the operation of the measure.

Failure on the part of corporations to return a commission will entail a fine, under the new regulations issued by the governor, of \$100 or a 60-day prison sentence.

Pythian Sisters To Observe Anniversary

Epidemic Of Measles Is Now Sweeping Through The Town

(Special To The News) WAMPUM, Pa., June 8.—The Wampum branch of the Pythian Sisters will on Tuesday evening, June 11, observe the eighth anniversary of the organization of the local lodge with a tureen dinner and social evening. The dinner will be served at 6:30 p. m. The members of the Knights of Pythias and Pythian Sisters and

their families or a friend have been invited to be present at the affair.

MANY HAVE MEASLES

There is an epidemic of measles at the present time among the children of this community. It is said that a number of children attending school, which closed recently, had the measles while attending and that this was not discovered until after many of the other children had come in contact with those having the measles. The result is that the disease was rather generally spread among the families of the district. As far as is known all those sick with the disease are getting along all right.

CHILDREN'S DAY

Children's Day will be observed on Sunday morning at 11 o'clock in the Presbyterian church with an appropriate program of music, recitations, etc., presented by the children of the Sunday school. There will be no other service in the morning.

AT THE CHURCHES

At the churches of this district the services on Sunday will be as usual, with the exception of the Presbyterian church, where the Children's Day exercises take the place of the other morning services.

Congregationalists Trim Methodists

The First Congregationalists defeated the First Methodist team 8 to 3 in a New Castle Church league game played at the Lehigh field on Friday night. The Congregationalists found the pitching of Honkoni and Hughes to their liking and had 15 hits. The Methodists had but five hits off Lewis, who pitched a very effective game.

Logan, Jones and Morgan led the assault on the Methodist pitchers with ten hits between them. Hughes and Anderson had triples for the losers.

French Count Held In Rum Ring Expose Allowed To Sail For France, Will Return

NEW YORK, June 8.—Count Maxence De Polignac, a French nobleman, arrested Thursday as the alleged head of an international bootleg ring catering to New York's "four hundred," was beyond the 12-mile limit today, temporarily relieved of his worries. He was allowed to leave on the liner Paris for France at midnight. He was released on \$25,000 cash bail after assuring the authorities that he would return here to stand trial.

Italians Wallop Hillsville 12-1

The Italian A. A. team walloped the Hillsville team, 12 to 1, in a Lawrence County League game, played at Hillsville on Friday night. Huston on the hill for the Italians allowed but six hits, and kept them scattered. The Italians had sixteen hits off Augustine. Reeder, Conti and Marshall had extra-base hits. The winners played errorless ball in the field. The Hillsville boys had two errors.

New Castle Party Attend Convention

Mr. and Mrs. W. L. Pettitt, Mrs. Sara Fray, of New Castle, and Mrs. Marie Roof of Enon Valley, were numbered among the some 3,500 delegates who attended the Odd Fellow and Rebecca assembly which took place at Uniontown, Pa., during the week. The local party of delegates, made the trip by auto.

Mrs. Lucy Pettitt received the appointment of district deputy of this county for the fourth consecutive year. There was a lengthy program at the affair to which the Lawrence county delegates attended. The group returned to this city on Thursday.

The next Odd Fellow and Rebecca assembly will occur in Williamsport, Pa., next June.

Over 1800 Enroll In Summer School

Record Summer School Enrollment Totals 1,803 Pupils-Elementary Leads

Monday morning at 8:30 o'clock, summer school sessions will start in the Ben Franklin junior and Lincoln senior high schools with the greatest enrollment in the history of the city system. Figures reaching the office of Dr. C. C. Green city superintendent indicate that there will be exactly 1,803 pupils taking the six weeks' work.

Of this record enrollment 734 are from the elementary grades of the various city schools, 689 are from the junior high schools and 400 are from the senior high school.

School will convene each morning at 8:30 o'clock and will close at 12:30 p. m. Forty-three teachers will be employed to instruct the various classes.

F. L. Orth and James Hughes will direct the work of the senior and junior summer groups respectively.

Guisto Umek, Italian Runner Finishes First To Sixty-Ninth Control

(International News Service) GILA BEND, Ariz., June 8.—When C. C. Pyle's bunioneers pull out of Gila Bend today for Aztec, Arizona, on the 70th lap of the cross-country derby, Guisto Umek of Italy, still in third place, will be a few minutes closer to the two leaders, Johnny Salo, Fessio, N. J., policeman, and Pete Gavuzzi, the English entry.

Gavuzzi and Salo exhausted themselves in a "heads-up" duel for position in yesterday's run of 37.2 miles from Buckeye to Gila Bend, and the Italian passed them both for first place in the 69th lap, covering the distance in 6:18.40.

The Chevrolet Red "O. K. That Counts" Tag Protects Your Used Car Purchase

Used car buyers in this community have learned that they can have perfect confidence in any used car that has attached to its radiator cap the Chevrolet red "O. K. that Counts" tag.

Every reconditioned car we offer for sale is identified by means of this red tag attached to the radiator cap. This tag is the purchaser's assurance that the car to which it is attached has been gone over carefully by expert mechanics—that it has been thoroughly reconditioned—and that the price is based on the car's actual ability to render service.

Due to the overwhelming popularity of the new Chevrolet Six in this community, we have on hand at this time an unusually large group of these "O. K. d" cars. If you are in the market for a dependable used car—come in. You are certain to find the car you want—at a price that will positively save you money. Make a small down payment and drive the car away—balance on easy terms.

Drug Addicts Are Up Before Court

Disposition Of Cases Of Mr. And Mrs. Joseph Dando Made This Morning

Joseph Dando, and his wife, Pearl Dando, came up before Judge Hildebrand and Chambers this morning on a charge of being drug addicts.

Statements of the case by former Judge W. E. Porter, representing the Dandos, District Attorney J. Elder Bryan, and State Narcotic Agent, Hayes, showed that on a former occasion, Mrs. Dando, had been attempting to break away from the drug habit and had apparently succeeded after eight months, when her husband, Joe, furnished her with a narcotic drug and started her again.

State Agent Hayes stated that after the arrest of the couple that they had furnished valuable information as to where they had secured the drug, and that as a result an arrest of an alleged dope peddler had been made. He said that he did not regard Mr. and Mrs. Dando as criminals. He was more disposed to look upon them as victims of a habit from which they could not break away.

He said that he had talked with Mrs. Dando and that she was perfectly willing to be confined somewhere in an effort to break the habit. The habit had not secured such a powerful hold upon Dando. He has a good job and Hayes was of the opinion that he might be able to break away from the habit and still hold his job.

Governor Fisher Out After Trout

(International News Service) WILLIAMSPORT, Pa., June 8.—Governor John S. Fisher, ardent bank Walton enthusiast, is whipping the streams of Lycoming county today in quest of wary trout.

The executive is accompanied by A. Boyd Hamilton, secretary of the state senate and public service commissioner Emerson Collins.

The two expect to spend the week-end on the streams of a private hunting preserve near here.

Pennsy Railroad To Start New Bus Line In Operation Monday

(International News Service)
PITTSBURGH, June 8.—Eleven buses operated for the first time by the Pennsylvania railroad in its new bus-line service will begin their daily trips between this city and Philadelphia Monday.

Five trips will be made daily, two trips over the William Penn highway and three trips over the Lincoln highway. The approximate running time between the two cities will be 16 hours, and the fare, considerably lower than that by train, will be about \$8.

Not all the new buses ordered for service over the new routes will be placed in operation Monday. Six others will be added later.

Routes Selected
On the Lincoln highway, stops will be made at Turtle Creek, East McKeesport, Irwin, Grapeville, Greensburg, Denison, Youngstown, Ligonier, Laurelton, Jennerstown, Jennerstown, Bucksport, Schellburg, Wolfburg, and Bedford.

The route on the William Penn highway follows the highway from Philadelphia as far as Lancaster. Beyond this point, stops will be made at such points as Elizabethtown, Tyrone, Hoffsburg, Altoona, Cresson, Ebensburg and Blairsville. East from Wilkesburg on this route, stops will include Monroeville, Murrysville, export, Delmont and New Alexandria.

Where conditions permit, stops at the various towns on the route will be made at Pennsylvania railroad stations and train tickets between any two points covered by the bus routes will be honored for either the whole or a part of the journey.

The buses have a capacity of 33 passengers and baggage.

On Publicity

BLOOM CENTER IN 1880.

Next to the annihilation of time and distance, I suppose there's been more real progress made in advertising or publicity than anything else, except probably setting off the female finger. "I recall," says Uncle Miles Turner (103), "that the two or three magazines of the early eighties only carried two advertisements, probably an inch by two inches in size. One was for a tooth powder, and one was for a planter. And that seems funny, too, for in them days very few people had money enough to even think of a planter, and still fewer people used a tooth brush. Today nobody 'cept bandits and bootleggers pretend to get by either in a business way or socially, without advertising. Billions of dollars are expended annually for newspaper magazines, and billboard advertising, and many of the ads are real works of art. I can recall a little two-by-four ad, 'Drugs, Paints, Oils, Wall Paper, at Watson's Opposite the Courthouse,' that appeared in the Bloom Center Herald for fifteen years without change. Watson also sold photograph albums, musk, cardamom seeds, croquet sets, and pear-handled pens, but it never occurred to him to call attention to the fact in his ad. The first of June his 'arctic' sody fountain opened up for business, and closed down the first of October. There's another little ad that must have cost 50 cents or \$1 for fifty-two insertions: 'The undersigned takes this method of informing the citizens of Bloom Center an vicinity that he has bought the stock of provisions and queensware of Jones & McCordie and will dispose of the same at the lowest living prices. A share of the public patronage is solicited. Signed, Daniel McCordie. Now an' then there'd be a real lively, snappy ad calculated to catch the eye of the reader right on the jump: 'Get There Eli! Get Your Maekere! at Jordan's Provision Store. Cash for Hides, or Drive on Susan! Hats, Caps, Boots & Shoes at Morgan's Ole Stand Opposite Union House.' Such ads were regarded as irresistible in the eighties. Catchy phrases and alluring pictures almost swamped our cigarette factories in 1923, while new tooth pastes created employment for many thousands of new ad writers. Look what advertising has done for Christmas, St. Valentine's day, wedding, birthdays, an even groundhog day. Women watch the ads and buy months ahead for these affairs and anniversaries. Mrs. Em Hanger bought an electric toaster last week to give her niece

when she gets married, and the place is only seven years old. Women buy when there's bargains for they know that there'll allus be Christmusses, an' wedding's an' things. Early display advertising rarely quoted figures because customers used to dicker for clothes an' boots an' other merchandise, and merchants wuz glad to get anything over an' above the cost of whatever article they sold. Some of the ads read: 'We will Not Be Undersold.' 'Live an' Let Live.' an' 'As Low as the Lowest.' An' some of the old time merchants was purty cute when it come to gittin' a free puff in the paper. O'le Jimmy Lane would climb up two flights of stairs in the Peoples block to tell the editor of the Herald that he'd just received the largest consignment of prunes ever received in the county. Three hogsheads, an' the editor would print it as news. But the editor of the early eighties wuz purty smart, too. If he wrote a straw hat he'd sit down an' write, 'All abroad! Summer's here! An' the finest line of straw hats ever seen in this locality has arrived at Honest John's an' the next day Nace Morganroth would present him with a straw hat. An' editors often played the same game to get a water-melon."

Accident Victim Is Awarded \$18,037

PUNXSUTAWNEY, Pa. June 8.—A sealed verdict for \$18,037, the largest damage claim ever given in Jefferson county, was awarded Paul Iddings, an orphan of Crenshaw, near Brockway, against H. J. and Ralph Sickles, of Route 1, a small town near Coudersport, by a jury in court here this morning. The jury was nine hours in reaching the verdict. Young Iddings was struck by a car driven by Ralph Sickles, aged 16, whom has been proven did not have a license to drive a car in Crenshaw, June 3, 1928.

As a result, Iddings is blind of one eye, partly blind of the other, partly deaf and mentally defective. He will have to be sent to a home of some kind for the rest of his life.

State Fed Much Wild Game During Winter

(International News Service)
HARRISBURG, June 8.—A total of \$7,263.05 was spent during the last winter to feed wild game in the regions where food was scarce, the State Game Commission announced today.

The report of the commission on winter feeding showed that 39,642 bob-white quail were fed; 19,971 ring-necked pheasants, 3,100 wild turkeys, 2,315 ruffed grouse, 2,365 squirrels, 5,065 rabbits, 3,210 Hungarian partridges, and 2,496 deer.

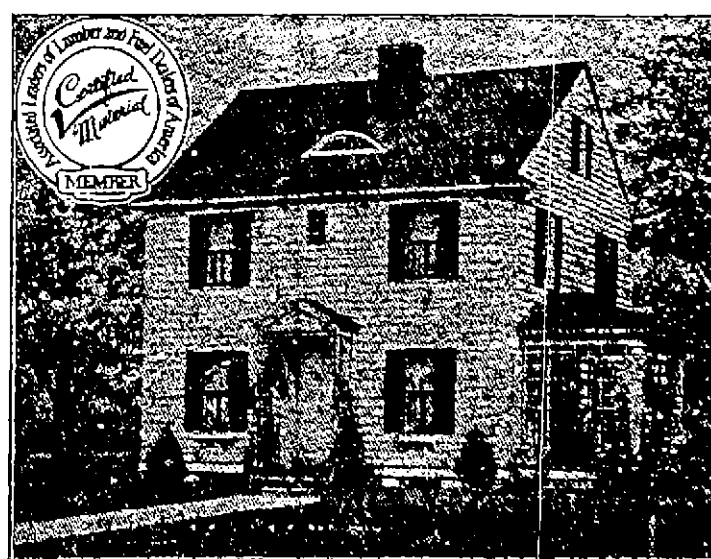

Reports received by the commission indicate that the supply of bob-white will be the most plentiful in years when hunters take the field next fall. Indications also are that ring-necked pheasants and ruffed grouse will also be plentiful.

Some Pacific cables lie six miles below the ocean surface.
